

Thank You, Members!

THANK YOU for making 2011 a successful year for the Club! With the increased dining and banquet usage, the Club continues to move in a positive direction. With new friends in the Big Ten community, the addition of Friday Grid Iron nights, and continued big party-sized tailgates on football Saturdays, we are closing the year with sales reminiscent of better economic times. Hopefully that is an encouraging sign for all of us in our various jobs and interests as we bring in the new year. We appreciate your continued support of the Club and look forward to bringing you new fun events and extraordinary dining experiences in 2012.

Thanks to the kitchen, new banquet menus and a tribute to beer

Thank you to all who have begun to frequent the Nebraska Club again. You are very encouraging that we are on the right path. Some big news from the kitchen is that I recently appointed Sam Mayberger as the Club's Sous Chef and Denton Racine as the AM Kitchen Supervisor. At the time of my arrival, these positions were not held by anyone. My hope is that over time this added leadership in the kitchen will aid in the consistency required to make your Club a bigger success. But all of our recent successes would not have

been possible without the cooperation and hard work from all of the kitchen team. So a big thank you to Otto Meza, Tucker Seaman, Voughn Falos, Jason Stiastrney, Tes Meles, and Cody Dye. I appreciate all that they do.

The Banquet Menus are now completed and ready for use. We have made significant changes in pricing and food choices, which have all been designed to give the customer more choices in planning their events. We will continue to make adjustments to the menus, but I hope you will be pleased with your new options. Please feel free to give me any feedback regarding its content.

I do have one major complaint I want to get out of the way immediately. You see that occasionally Phillip will feature a *Wine of the Month*, or J.J. may feature a *Cocktail of the Month*. So what do I get? Well I propose to you all Eric's featured *Beer of the Month*. But unlike those other guys, I vow to buy whatever is left at the end of each month, to keep the selection fresh. So don't make me buy that beer. Drink it, be merry. Try something different. It may hurt, but only a little bit. I promise.

Happy Holidays to all of you.

Eric Leyden, Executive Chef

Chef Eric's Beer of the Month

Empyrean Ales, Winter Tilt Festivale, Winter beers are becoming more popular the past few years. This Belgian style Red Ale is ruby in color with a tart and crisp flavor. Lightly spiced to stand up to winter's chill.

It has been a very busy fall season, with Husker sports and new Big Ten guests, the special legislative session, and a number of private parties and corporate events—we are loving it! Keep those dinner reservation and private party bookings coming! You will see a number of Main Dining Room closings this month, largely due to holiday parties. Remember that our Lounge remains an option for your dining enjoyment at such times.
